

Napa River Inn - Travel Special

Get Whisked Away to the Wine Country

The historic Napa River Inn is offering travelers the “I Left My Car in San Francisco” package, which allows Napa visitors to avoid the drive and traffic out of San Francisco and take in the wonderful sights of Northern California's wine country via ferry and train.

The one- and two-night packages in river and garden view rooms include a round-trip ferry ride from San Francisco to Vallejo and shuttle to the hotel in downtown Napa, which offers numerous wine, shopping and restaurant options to reach on foot. The packages also include a gourmet lunch and ride on the vintage Napa Valley Wine Train, free tastings for two at 13 Napa tasting rooms and an in-room breakfast along with a late check-out.

The single night package is offered at \$428, while the two-night stay is \$613. These rates are being offered Sunday through Thursday until May 31, 2010—and we’re told there may be some weekend dates available.
