Napa History by Foot

Thanks to TripAdvisor's recent ranking of No. 3 best attraction in Napa, former Marinite George Webber's dance card, or rather "tour" card, is full. One new resident and trip advisor-er wrote, "I recently moved to Napa, and when my mother came to visit I thought it would be fun to take this tour. What a great time!...

George was very knowledgeable and I feel like

I learned so much about my new hometown." Throughout the summer, the Napa River Inn, a National Historic Landmark built in 1884, is offering complimentary tours to its guests. For more info, go to napariverinn.com or check out napawalkingtour.com
